## COME YE YOURSELVES APART - AND REST MARK 6:31

April 5, 2016

Greetings to our faithful supporters,

It's a joy to be able to give you a good report of the 2015 happenings at Penn Valley. We have experienced the grace of God in every detail and every event this past year. It is so rewarding to see people come for a weekend seminar or retreat and leave feeling refreshed and inspired to a deeper walk with the Lord in spite of their circumstances. We see many broken people with mental, physical, emotional and spiritual issues. Even though we are not a counseling center as such, we still see healing taking place as they sit under the influence of sound teaching from the Word and share their stories and hear other's stories. We have been blessed by having dedicated spiritual coordinators and speakers for all of our seminars. It is so helpful to have coordinators that have been there and have experienced some of the same issues and circumstances as the attendees. In this broken world there will always be people with needs. Penn Valley Christian Retreat is just one of the arms of the church that is providing a place of retreat in a peaceful setting that promotes rest and relaxation in addition to spiritual refreshment.

We have also experienced the grace of God in meeting our financial needs. Thanks to you, our supporting churches, as well as many individuals, we were able to adequately maintain and improve various areas of the facility. It remains a challenge to stay ahead of things that are wearing out after twenty-five plus years of use.

Thank you to all who have contributed to the building fund to pay for the purchase of the Stoltzfus property and then to move into the building project for another two story lodging facility. We are anxious to get the new building started in 2016 if the needed funds are made available. Every donated dollar is valuable and important. Please join us in praying that God would be in control of the effort and that He would continue to move in the hearts of those He wants to use in the effort. May the Lord be glorified in all that we do.

Ray & Bertha Yutzy Administrator

It has been a blessing to see Penn Valley Christian Retreat being used by our Lord to build the Kingdom in the last year. There have been many times the Word of the Lord has been taught to an interested audience. God alone knows how to calculate the increase. Is it not a great joy to see God use our weak efforts for His glory?

It has also been a great blessing to have a committed staff doing things both large and small. We greatly appreciate Ray and Bertha Yutzy, our current administrator couple. They have filled the leadership role well in the last three years. However, we are currently seeking God's direction for a replacement as they wish to terminate next year. Would you join with us in prayer that God would guide us to the couple He has already chosen for this work? We have also been blessed with the faithful service by the rest of the staff. Many are the common everyday tasks they are called to perform. Many are the behind-the-scenes responsibilities they assume. We are grateful that God has been supplying the need for staff, but at the same time encourage you to encourage faithful youth in your congregation to consider a time of serving the King at Penn Valley.

It is impressive to note how Penn Valley has a unique opportunity to minister to a wide range of conservative Anabaptist constituencies. It is gratifying that our church circle can contribute to others in this way.

You should soon be receiving a ballot for board elections. This year two board members are to be selected. Thank you in advance for your participation in voting.

We are thankful for your support and welcome it in the future. Consider yourselves as invited to come and take in a seminar this year!
